

ORGANIC SEO GOLD PACKAGE: This offers a robust building of off-page content and monthly blog publication for small businesses that are ready to expand their online reach.

NOTE:

- 75% of online users never click past the first page of the search results
- 93% of online experiences start with a search engine
- 33% of clicks happen on the first result

Recommended Campaign Length: 6 Months

Keywords Targeted: Up to 20 Keywords

Keyword Group: Maximum of 4

- Monthly Search Volume (2,000 per group): Up to 8,000 (total for all keywords)

THE PROCESS

WEBSITE ASSESSMENT AND INTAKE:

We audit your online presence, gather information about your goals.

KEYWORD RESEARCH & ROADMAP CREATION

We research the best keywords for your business to bring the fastest and most effective results. You approve our keyword recommendations that target your audience and drive revenue.

CONTENT OPTIMIZATION

From our assessment and keyword research, we implement high-quality content optimization to your website to engage visitors.

ON-PAGE SEO

Extensive on-page optimization including Google tools, copywriting, tags, headers, meta data, and URLs.

OFF-PAGE SEO

Blog posts, press releases, and offline articles for link building written in your style and for your approval.

REPORTING & LINK BUILDING

Monthly Executive Summary Reports and continued link building through off-page article submission.

REQUIREMENTS

Below are the key access requirements we need to effectively start the campaign.

1. Access to Website Admin
2. Access to Website CPanel (if available)
3. Access to Search Console (if already existing)
4. Access to Analytics Account if already existing
5. Access to Google Tag Manager (if already existing)

6. Access to directories where you already published listings
